#### REMARKS

The figures of births and deaths shown in this statement for week-ending the 26th July, 1958 relate to 131 towns from the States of Bihar, Kerala, Madras, Mysore, Pondicherry, Punjab, Rajasthan and Uttar Pradesh with a population coverage of 17,487 thousands out of total population of 46,461 thousands in 320 towns of the country. The number of births and deaths recorded in these towns were

11,029 and 4,167 registering birth and death rates of 32.8 and 12.4 per thousand of population respectively.

The town of Palghat only in the Kerala State recorded a high death rate of 32.3 per thousand of population. The following table gives the registered rates for different States:—

States		(1	onem w/c 26-7-51	Corresponding	w/c last year
		<b>B.</b> R.	D.R.	в. <b>R</b> .	D.R.
